

Eastern Panhandle Multimodal Transit Center Project Update:

On behalf of the Eastern Panhandle Transit Authority (EPTA), we are pleased to inform you that the demolition at 412 W. Race Street marks the beginning of a significant development for the construction of our new Multimodal Transit Center.

- This project is slated to enhance the local infrastructure and provide a modernized hub for transportation.
- During construction, the adjacent unnamed alley will be temporarily closed starting on October 7, 2024, for surface upgrades from dirt to pavement and will remain closed until project completion.
